{tips & hints}

Here are a few ideas to make guests say “Cheers!” to your Happy Hour.

## Entertainment

- Give your party a theme and encourage guests to dress to match.
- Break out the board games or trivia for an easy way to break the ice.
- Remember the music. Put together a play list to keep the tunes flowing.

## Party Favors

- Give your guests festive plastic cocktail glasses.
- Send everyone home with a cute little bag of your favorite happy hour snack ... snack mix, mixed nuts or candies or any party leftovers.

## Food Display

- Place a couple of metal cocktail shakers upside down and set a simple platter on top to raise it off the serving table.
- Use a cake stand to serve dip and crostini.
